[Graduation Photo Information](#)

Graduation photos are taken in my home studio and at various locations in the FM area. You have two choices for service.

Option A: - \$110.00: Up to two hours of shooting time with as many clothing changes as you like. Additional time will be billed at \$15.00 per 30 minutes. You will receive a CD with all of the photos that were taken, typically 150-200 poses. Blemish removal will be done on a limited number of poses. No other enhancements will be made. The photos become your property and you may have them printed where you wish, including Schutz Photography at the prices listed below. Included in Option A is one 8x10, one 5x7, and four wallets (same pose) at no extra charge.

Option B: - \$150.00: Same as Option A, but also includes all touch ups, digital enhancements, overlays, blemish removal, black and white, etc. (See examples below.) Proofs will be provided. You **do not** receive a CD, as the photos remain the property of Schutz Photography. All prints are ordered from Schutz Photography at the prices listed below. Included in Option B is one 8x10, one 5x7, and four wallets (same pose) at no extra charge.
